- 2 CHAIRMAN DUNNE: Will the members
- 3 of the Public Safety Committee please take
- 4 their seats? I'll act as clerk for roll
- 5 call. Minority Leader Kevan Abrahams?
- 6 LEGISLATOR ABRAHAMS: Here.
- 7 CHAIRMAN DUNNE: Legislator
- 8 Denenberg?
- 9 (No verbal response.)
- 10 CHAIRMAN DUNNE: Ranking Member
- 11 Laura Curran?
- 12 LEGISLATOR CURRAN: Here.
- 13 CHAIRMAN DUNNE: Legislator
- 14 Denise Ford?
- 15 LEGISLATOR FORD: Here.
- 16 CHAIRMAN DUNNE: Legislator
- 17 Vincent Muscarella?
- 18 LEGISLATOR MUSCARELLA: Here.
- 19 CHAIRMAN DUNNE: Vice Chairman
- 20 Donald MacKenzie?
- LEGISLATOR MACKENZIE: Here.
- 22 CHAIRMAN DUNNE: And I'm here.
- 23 We have a quorum. Legislator Denenberg is
- 24 present. We are going to bunch these
- 25 together. We have quite a few with the

- 2 medical examiner's office, three of them, as
- 3 a matter of fact. So, I'm going to call
- 4 9-15, 12-15 and 13-15, they are all
- 5 ordinances supplemental to the annual
- 6 appropriations ordinance in connection with
- 7 the Department of Toxicology, Medical
- 8 Examiner, the Office of Forensic Genetics,
- 9 with the Medical Examiner and with the
- 10 Office of Forensic Genetics again.
- 11 LEGISLATOR FORD: So moved.
- 12 LEGISLATOR MACKENZIE: Second.
- 13 CHAIRMAN DUNNE: Motion by Denise
- 14 Ford, seconded by Legislator MacKenzie. Who
- do we have to speak about this?
- MR. HAHN: Timothy Hahn from the
- 17 Department of Forensic Toxicology.
- 18 The first one is a grant in the
- 19 amount of \$46,200. That's a grant from the
- 20 New York State Governor's Traffic Safety
- 21 Committee. It's used to support DWI, DUI
- 22 testing for blood alcohol and drug testing.
- 23 CHAIRMAN DUNNE: That's state
- 24 funded?
- 25 MR. HAHN: That's state funded.

- 2 CHAIRMAN DUNNE: Excellent.
- 3 Next.
- 4 MR. HAHN: The next grant is a
- 5 grant in the amount of \$301,419. That is a
- 6 grant that's a federal grant that is used to
- 7 reduce the DNA backlog and to improve the
- 8 case turnaround time for DNA testing.
- 9 CHAIRMAN DUNNE: Again, no county
- 10 monies. That's federal money?
- 11 MR. HAHN: That's federal money.
- 12 CHAIRMAN DUNNE: Next?
- MR. HAHN: The next grant is in
- 14 the amount of \$22,202. That's a federal
- 15 pass-through grant to the Paul Coverdell
- 16 Grant and that's used to support the
- 17 laboratory information system for the DNA
- 18 lab.
- 19 CHAIRMAN DUNNE: Again, no county
- 20 dollars coming out of that, it's all grant
- 21 money?
- MR. HAHN: Correct.
- 23 CHAIRMAN DUNNE: Any questions
- 24 from any legislators?
- 25 (No verbal response.)

- Is there any public comment?
- 3 (No verbal response.)
- 4 There being none, all those in
- 5 favor indicate by saying aye.
- 6 (Aye.)
- 7 Any against?
- 8 (No verbal response.)
- 9 All three are passed. Thank you,
- 10 Mr. Hahn.
- 11 The next items are, and we are
- 12 going to call them as a group, it's Items
- 13 14-15, 18-15, 19-15, 20-15, and I believe
- 14 33-15. They are ordinances supplemental to
- 15 the annual appropriations ordinance in
- 16 connection with the Traffic Safety Board.
- 17 Let me review that again. 14, 29, 31, 32,
- 18 and 33 are the ones I'm calling. All
- 19 ordinances supplemental to the annual
- 20 appropriations ordinance in connection with
- 21 the Traffic Safety Board, each and every one
- 22 of them reads the same. They're all
- 23 different.
- LEGISLATOR MACKENZIE: So moved.
- 25 LEGISLATOR MUSCARELLA: Second.

- 2 CHAIRMAN DUNNE: Motion by
- 3 Legislator MacKenzie, seconded by Legislator
- 4 Muscarella.
- 5 MR. MISTRON: Christopher
- 6 Mistron, Nassau County Traffic Safety,
- 7 Department of Public Works.
- The first one, number 14, is a
- 9 grant that's being received through the
- 10 Governor's Traffic Safety by way of the New
- 11 York State Stop DWI Foundation. What that
- 12 is for is special holiday enforcement monies
- 13 specifically outlined everything from Super
- 14 Bowl Sunday to St. Patrick's Day to July 4th
- 15 to Memorial Day to Labor Day. This is money
- 16 targeted for specific holidays. The bulk of
- 17 it goes to the police department as well as
- 18 partners within some of the villages and
- 19 city police departments for that special
- 20 enforcement time.
- 21 CHAIRMAN DUNNE: Excellent. 29.
- MR. MISTRON: 29 is the monies to
- 23 establish the Stop DWI program for 2015 as
- 24 outlined in a report to New York State and
- 25 approved by the New York State Governor's

- 2 Traffic Safety. The elements include monies
- 3 to be provided to the police department for
- 4 enforcement, both for the Nassau County PD
- 5 as well as the villages, as well as the
- 6 probation department, district attorney, and
- 7 for education rehabilitation purposes.
- 8 CHAIRMAN DUNNE: Again, accepting
- 9 funds to help us out.
- MR. MISTRON: Correct. And this
- 11 money specifically is generated through
- 12 fines collected for DWI.
- 13 CHAIRMAN DUNNE: Item 31.
- 14 MR. MISTRON: 31 is a grant from
- 15 the Governor's Traffic Safety for child
- 16 passenger safety. It allows the department
- 17 to purchase car seats and equipment to be
- 18 able to do child safety checks throughout
- 19 the county.
- 20 CHAIRMAN DUNNE: Excellent. The
- 21 next one, 32?
- MR. MISTRON: Item 32 is the
- 23 Police Traffic Services Grant. It is a
- 24 grant through the Governor's Traffic Safety
- 25 Committee for distribution to the Police

- 2 Department as well as 20 of the village city
- 3 police departments within Nassau County for
- 4 purposes of enforcing the buckle up laws for
- 5 a week period within May as well as
- 6 aggressive driving and pedestrian safety
- 7 programs throughout the county.
- 8 CHAIRMAN DUNNE: Excellent. And
- 9 finally number 33.
- MR. MISTRON: 33, the last one,
- 11 is the handicap parking surcharge grant.
- 12 What that does is, it provides money for
- 13 special programs geared towards everything
- 14 from specialized child safety seat checks
- 15 for parents with special needs children, as
- 16 well as education for purposes of
- 17 handicapped or special needs.
- 18 CHAIRMAN DUNNE: Very
- 19 interesting. Any questions from any
- 20 legislators about any of these items?
- 21 Legislator David Denenberg.
- LEGISLATOR DENENBERG: Mr.
- 23 Mistron, first, my compliments on another
- 24 great year, you do a great job with these
- 25 programs.

- 2 The grant money that was
- 3 represented by these supplemental
- 4 ordinances, are we up or down from last
- 5 year?
- 6 MR. MISTRON: In actuality, the
- 7 DWI fine revenues are down, so therefore the
- 8 DWI program is down. But that's a good
- 9 thing because that means that we've reached
- 10 a point where our arrests have been
- 11 decreased because there are fewer people
- 12 breaking the law.
- In the case of the other three
- 14 grants, we were actually able to secure, not
- 15 substantial, but additional funding for all
- 16 the different programs from the state.
- 17 LEGISLATOR DENENBERG: So it's
- 18 up?
- MR. MISTRON: Yes, it's up.
- LEGISLATOR DENENBERG: A
- 21 percentage up?
- MR. MISTRON: It varies. It's
- 23 anything from -- in the case of the
- 24 handicapped, it was \$10,000 more than last
- 25 year. So, it's \$10,000 in addition to the

| Public Safety Co | mmittee | /1-12-15 |
|------------------|---------|----------|
|------------------|---------|----------|

- 2 original from last year. The other ones
- 3 were increases of anything from \$500 for the
- 4 child passenger safety to around \$15,000 for
- 5 the overall state grant for enforcement.
- 6 LEGISLATOR DENENBERG: Good.
- 7 Thank you.
- 8 CHAIRMAN DUNNE: Thank you. Any
- 9 other legislator?
- 10 (No verbal response.)
- Is there any public comment?
- 12 (No verbal response.)
- There being none, all those in
- 14 favor for Items 14, 29, 31, 32, and 33
- 15 indicate by saying aye.
- 16 (Aye.)
- 17 Any against?
- 18 (No verbal response.)
- They all pass.
- The next items to come before us
- 21 deal with the police department. They are
- 22 item numbers 18-15, 19-15, and 20-15. They
- 23 all state: Ordinance supplemental to the
- 24 annual appropriations ordinance in
- 25 connection with the police department. All

- 2 three of them are the same.
- 3 LEGISLATOR MUSCARELLA: So moved.
- 4 LEGISLATOR MACKENZIE: Second.
- 5 CHAIRMAN DUNNE: Motion by
- 6 Vincent Muscarella, seconded by Legislator
- 7 MacKenzie.
- 8 SERGEANT STEPHANOFF: Good
- 9 afternoon, Sergeant Greg Stephanoff. Happy
- 10 New Year to everybody.
- 11 CHAIRMAN DUNNE: Happy New Year
- 12 to you too.
- 13 SERGEANT STEPHANOFF: The first
- 14 grant, 18-15, is a grant for \$1,425,095.
- 15 There is a \$475,000 match that will come
- 16 from capital.
- 17 This grant has two projects. The
- 18 first project is to buy two 27 foot boats
- 19 from Marine Bureau to replace older boats
- 20 and we are also going to purchase equipment.
- 21 Part of it is radiation detection equipment
- 22 to add on to the boats.
- The second project is going to be
- 24 to enhance our IT infrastructure against
- 25 cyber attacks. It's going to be used to

- 2 enhance units outside the building. Like,
- 3 the cars have commuters now. We have
- 4 substations. You can't prevent a cyber
- 5 attack but you can help detect and also deal
- 6 with it so you have no loss of information.
- 7 Number 19-15 is a Homeland
- 8 Security Grant for \$50,000. This grant is
- 9 going to be used to enhance security for our
- 10 buildings. I believe we do a site analysis
- 11 of our security concerns and I believe
- 12 headquarters was chosen for this grant so we
- 13 are going to use it to enhance security such
- 14 as adding bollards to the building.
- 15 CHAIRMAN DUNNE: Item 20.
- 16 SERGEANT STEPHANOFF: Item 20 is
- 17 a \$100,000 grant. Also Homeland Security.
- 18 This grant is going to be used for exercises
- 19 and equipment. The equipment is going to be
- 20 given to our bureau of special operations.
- 21 We're going to be giving them tactical entry
- 22 kits, tactical vests, and tactical
- 23 floatation devices in case they have to do
- 24 anything with Marine Bureau to assist with
- 25 Marine Bureau. So with tactical floatation

| Public S | Safety | Committee | /1-12-15 |
|----------|--------|-----------|----------|
|----------|--------|-----------|----------|

- 2 will let them go into the water and maintain
- 3 buoyancy.
- 4 CHAIRMAN DUNNE: Legislator
- 5 MacKenzie had a question about the boats.
- 6 LEGISLATOR MACKENZIE: Is it
- 7 specific as to where those boats are going
- 8 to be located?
- 9 SERGEANT STEPHANOFF: This is
- 10 part of the port security program, that
- 11 first grant. So it's going to basically
- 12 secure the waterways and we work with -- the
- 13 port security grant is working with the city
- 14 also. We are going to be buying two of
- 15 them. I think they are going to be placed
- 16 as the need arises.
- 17 We also have boats always on the
- 18 North Shore and South Shore. This is going
- 19 to replace older boats from the fleet.
- 20 CHAIRMAN DUNNE: Any legislators
- 21 have any other questions?
- (No verbal response.)
- Is there any public comment?
- 24 (No verbal response.)
- There being none, all those in
